

## **ABOUT US**

Direct Logistics is a multilocal freight forwarding group with presence in India and China. Our network of associates is spread over 80 countries and 150 locations worldwide. As a global freight forwarding company we are engaged in all aspects of shipping and international transportation.

Direct Logistics operates out of six offices in India and one office in China. We cover all major ports and airports in India & China. To achieve our goals we are assisted by a team of over 120 professionals. No matter what it takes, Direct Logistics is committed to give you hassle free service, which will ensure a long-term relationship with all our business partners.

### **Our Organisational philosophy:**

- An organization that believes in itself and the immense contribution of its people to its success.
- A provider of international transportation solutions to companies engaged in international trade.
- Achievement of goals with active support and participation of employees, worldwide network of strategic partners and customers' all-important inputs.
- Engaging in long term and mutually beneficial relationships which are not transactional

### **OUR OBJECTIVES**

- To achieve leadership position by innovative logistics, distribution and procurement solutions.
- To create value for customers by establishing network of own offices in CIS and Central Asia and delivering world class integrated logistics services for sourcing and distribution.
- To be the most trusted link for our customer's distribution and procurement functions

### **OUR VISION**

We aim to be an integrated logistics service provider displaying total commitment to:

- Our customers
- Quality
- Innovation
- Cost effectiveness
- The society in which we operate

### **OUR MISSION**

Business is not just about money and growth, it is as much about people we work with and society in which we operate. We strive:

- To be a USD 25 million company by 2008.
- To be the best logistics company operating in CIS and Central Asia
- To be a socially conscious organisation.
